I had a dream I got everything I wanted
not what you'd think and if I'm being honest it might have been a nightmare
to an someone who might care thought I could fly so I stepped off the golden
no bahdee cried no bahdee even noticed I saw them standing right there
kind a thought they might care I had a dream I got everything I
wanted but when I wake up I see you with me and you say As long as I
am here no one can hurt you don't want to lie here but you can learn to
If I could change the way that you see yourself you wouldn't wonder why
you're here they don't deserve you I tried to scream but my head was under
